Dear Judge Webster:

Recognizing your past contribution to this project, I'm pleased to send you an advance copy of **Computer Security—Issues and Trends.** It is the latest edition of Computer Security Institute's annual supplement to Datamation magazine. This year's supplement will appear in the September 15th issue, which will be "hitting the street" the week of September 18th.

This is the sixth year that the Institute has sponsored this Datamation supplement. Although we feel that this edition is one of the best we have ever produced, we are always looking for ways to improve this project. Therefore, we would value your comments, ideas, and suggestions.

Sincerely,

John C. O'Mara
